

International Diabetic Football Championship
"DIAEURO – 2013"
Organized by the Croatian Diabetes Association (CDA)
supported by IDF Europe

Football is the synonym for the right to compete, strive for excellence and equality. CDA decided to continue the Ukraine Diabetes Federation (UDF) initiative regarding DIAEURO championship for people with diabetes. Next year, DIAEURO will be held at city of Zadar, Croatia (27-31 August 2013). By continuing the good practice, our goals are primary giving positive example for people with diabetes, rising awareness and reducing discrimination. DIAEURO 2013 is strongly becoming the recognisable event that unites hope for equality through positive competition, joy and education. Today, football is much more than just sport. It is the struggle to be better and strive to success with positive attitude. It is very important to continue the excellent initiative so we invite you to join the positive movement!

| Organization committee

Croatian Diabetes Association supported by International Diabetes Federation and Ukraine Diabetes Federation.

| Date and place

Zadar, Croatia 27 – 31 August 2013

| Goals and objectives:

Rising awareness regarding the problems of diabetes
Popularization of healthy lifestyle
Involving youth with diabetes to participate in the diabetes movement;
Strengthening the positive image of Croatia on the global;
Improving communication on the international level and spreading positive experience.
